

## Victorian news.

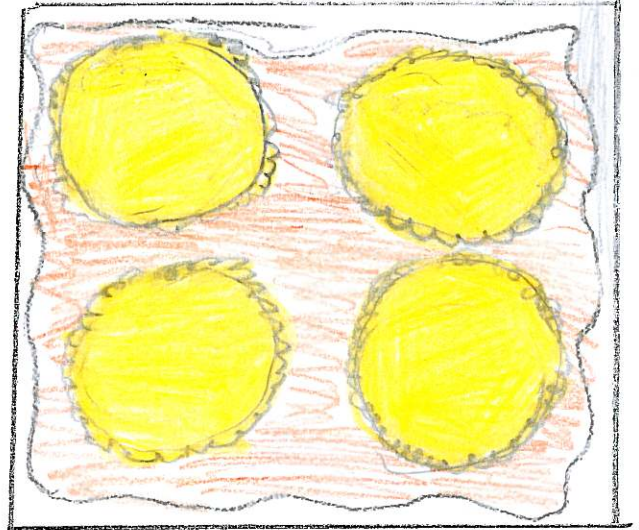

I went to Preston manor  
and had a great time.

We made little gingerbread  
biscuits and Lemonade and  
orange juice and the  
baked apples.

There was a butler called  
Mr. Elphick. He was a bit  
scary. But I got to know  
him. There was also

Miss. Rose. Lara and I  
made Miss. Rose's bed.

Mr. Elphick was proud  
of us.

We washed Peoples  
clothes and dried  
them and we beat  
the carpets.

it was very  
hard work.

in the drawing room

we saw the chandelier

which would have taken  
a long time to clean.

They had to Polish every  
single piece it sounded

really hard to  
do.
