

Preston Manor

On the 26th January 2010 year 5 went

to Preston Manor dressed as Victorians.

When we got there we had lunch and

Mr Elphick the butler showed us around

the house. The first room we went in the

dining room and we set the table for a five

course meal. The next room we went in

was the drawing room. There was a

beautiful chandelier, it was cleaned

every 2 years because it was so

hard to clean. Then we were taken to the

kitchen where we made biscuits, baked

apple and lemonade. Then we went

upstairs into Miss Roses room and made

fire lighters, cleaned the fire, swept

the floor and cleaned the carpet.

Then we went round the family

bedrooms and saw a door pulley.

Then we went downstairs to

the washing room and experienced

what it be like to wash the

clothes. Then we went upstairs

and got our jobs!
